If you do not see a class day or time that works for your child, please let us know. We will do our best to add an additional class to the schedule if possible. A minimum of 5 students is required to open a new class.

CLASSES LISTED IN RED ARE CURRENTLY CLOSED AT CAPACITY

If you are interested in a class that is currently full, please let us know! We would be happy to add your dancer to the waitlist and will contact you if a spot becomes available.

All Team classes are by invitation/evaluation only
All Gymnastics & Tap classes are by evaluation only.

We strongly believe that by dividing our tap and gymnastics programs by ability, rather than age alone will benefit your child's strength and progression. This curriculum is in place to ensure the safety while learning the sport of tap and gymnastics.
